

April 2010 - Try the Juvéderm Revitalizer from April 8-30th!

The Juvéderm Revitalizer is a revolutionary tool that helps you visualize the effects of Juvéderm.

If you or your friends have been thinking about trying filler, but would like to see what it may look like first… this is the perfect opportunity!

Using this innovative touch-screen technology, we can take your photo, and select different areas for treatment in your upper, mid and lower face.

In minutes, you can immediately see what you would look like after your Soft Lift treatment!

Available for a limited time only at Glow MediSpa from April 8-30th!

Call today to book your complimentary consultation which includes your customized before & after picture, feel free to bring a friend! 416-920-9998.
