MY FAVOURITE TREATMENT: Skin Tyte

Skin Tyte firms the look of your face, neck, or even stomach instantly. It also stimulates collagen for preventative measures. If you have a wedding or special event to go to, Skin Tyte will make you look less tired and feel younger instantly. There is no down time at all, and it can be done on a lunch hour, and you can go right back to work afterwards.

MY FAVOURITE PRODUCTS: CLAYTON SHAGAL Gels: Collagen and Elastin (now 25% off)

CLAYTON SHAGAL Cohly and Elasty gels penetrate into the dermis and replenish the skin's dwindling supply of much needed collagen fibrils and elastin. The 99% Pure Extracted Collagen maintains the moisture of the skin and elastin maintains the firmness of the skin. Our clients are raving about the quick results in improving skin texture, tone, and redness/rosacea.
